3.B.18.C. (U//FOUO) Attend USCYBERCOM Operations/Synchronization (OPS/SYNC) meetings as desired to be kept informed and provide input on subsequent missions associated with this order and Ref F.

3.C. (U) COORDINATING INSTRUCTIONS.

3.C.1. (~~S//REL TO USA~~, (b)(1) Sec 1.4(a) USSC) CDRUSCYBERCOM approves all (b)(1) Sec 1.4(a) USSC missions. (b)(1) Sec 1.4(a) USSC General Officer/Flag Officer (GOFO) (b)(1) Sec 1.4(a) USSC may approve (b)(1) Sec 1.4(a) USSC missions.

3.C.2. (~~S//REL TO USA~~, [b)(1) Sec 1.4(a) USSC] JTF Commander will have target validation, deconfliction, and concept of operations (CONOPs) approval authority [b)(1) Sec 1.4(a) USSC]

3.C.3. (U//FOUO) USCYBERCOM Joint Operations Center (JOC) will use the USCYBERCOM Standing Operating Procedures (SOP) and watch checklist to manage deconfliction procedures.

3.C.4. (U//FOUO) USCYBERCOM OPS SYNC process will serve as the forum for CMF and JIATF synchronization and deconfliction across Department of Defense (DOD) operations.

3.C.5. (U) Disclosure to foreign governments will be handled IAW existing US policy.

3.C.6 (U//FOUO) Designated JTF-ARES key leaders/advanced echelon (ADVON) from the CDRUSCYBERCOM-approved JMD will report 1100hrs, 25 April 2016, to the NSA Visitor Center.

3.C.7. (U//FOUO) The reporting date for JTF-ARES main body personnel is 1000-1100, 28 April 2016. Report to address: 8605 6th Armored Cavalry Rd, Fort Meade, MD 20755; [b)(3) USSC]

[b)(3) USSC]

3.C.8. (U) Additional requests for support will be sent SEPCOR to NSA SID.

3.C.9. (~~S//REL TO USA~~, [b)(1) Sec 1.4(a) USSC] Each service FPCO and STO Chief: Identify personnel that are currently read-on to ACCMs and the specific ACCMs to which each is cleared. Identify personnel occupying a STO Billet with the associated STO billet numbers for each. Consolidate and pass this information to the USCYBERCOM personnel tasked as JTF-ARES acting STO Chief and FPCO.

3.C.10. (U) OPERATIONS SECURITY (OPSEC).

3.C.10.A. (U//FOUO) The integration of OPSEC throughout the lifecycle of JTF-ARES is vital to sufficiently protect critical, but unclassified information that could compromise the success of CO and ultimately put personnel and assets at risk from a force protection standpoint. From an administrative and planning perspective, the discussion of CTF activities outside workspaces and across social media is highly discouraged as is "talking around" JTF-ARES topics on non-secure communication devices and transmissions.

3.C.11. (U) PUBLIC AFFAIRS GUIDANCE.

3.C.11.A. (U//FOUO) Public affairs posture is in response to inquiry. No release of information regarding this order is authorized without prior coordination with USCYBERCOM PAO.//

GENTEXT/ADMINISTRATION AND LOGISTICS/4.

4.A. (U//FOUO) Administrative control (ADCON) of JTF-ARES personnel remains with resourcing Service Commanders. It is the responsibility of Service Cyber Component Commanders to ensure that tasked JTF-ARES positions remain staffed with qualified personnel until it is disbanded.

4.B. (U) FUNDING. USCYBERCOM funding is limited to facilities, administrative supply support, and IT at NSA-W. All other funding requirements are the responsibility of the Services.
